Friday 6th October, 2017

at the

Postgraduate Centre,

University Hospitals Birmingham NHS Foundation Trust

From 08:30 Registration, Coffee and Exhibition Stands (Dining room)

Updating Ophthalmologists in Internal Medicine

Ophthalmologists are at the forefront of treating patients with co-existing, and often complex, medical problems. The aim of this year's symposium is to focus on what has changed in the diagnosis and treatment in a number of internal medicine topics. The panel of experts will highlight what is relevant to the practicing ophthalmologist and there will be ample time to ask questions after each presentation.

0920 Cardiology and Atrial Fibrillation – Dr Joe DeBono

0950 An update on anticoagulants and bleeding diatheses
– Dr John Horsborough

1000 Type 1 Diabetes Mellitus – Dr Sofia Salahuddin

1030 Type 2 Diabetes Mellitus – Dr Parth Narendran

11.10 COFFEE BREAK at the commercial stands

11.40 Stroke and Transient Ischaemic Attacks – Dr Don Sims

**1215 A focus on the eye: the history of medical specialisation through
ophthalmology's past**
