Call for Nominations for Trainee Representatives on MOS Council

7th June 2026

Dear Colleagues,

The MOS is run by its members for its members. To assist with shaping the Society in the future, we have two Trainee Representatives on the Council, to bring the opinions of the Trainee body to MOS Council Meetings, which are typically held 4 times a year.

Below is a summary of the position:

Trainee Representative
Sit with Council at regular committee meetings and take part in discussion and decision making on Society matters.

Liaise with trainees and feedback to Society.

We are asking for nominations for the positions of Trainee Representative on the MOS Council.

We ask that trainees become paid up MOS Members if they wish to apply, as membership provides voting rights (membership form and payment form on website, www.midophth.com).

It is envisaged the position will be held for 3 years, and that there will be a junior trainee and a senior trainee in post at any given time. However, there is flexibility in this.

Please note there is no remuneration for the post, but it is a contributory activity which can be cited on your CV, at annual appraisal and at GMC revalidation.

Please email Miss Juliette Edwards, MOS Secretariat (firstrateltd@icloud.com) with your expression of interest, giving your name and contact details, by 21st June 2026, with a brief statement (250 words maximum) explaining why you would like to take up the position of MOS Trainee Representative, and what makes you suitable for the role.

In the case of multiple applicants, the MOS membership will be informed and a vote will be scheduled.

Yours sincerely,

Juliette Edwds
